

Fortuna Bed PATCHWORK BAND

aloka

The fortuna bed is a meaningful way to bring a bespoke touch to your bedroom. A fully upholstered headboard, mitered corners and tapered cone shape legs give this frame timeless tailoring. Three styles are available with countless fabric options, including Belgian linen, one-of-a-kind Aloka quilt textiles and customer's own materials. A series of solid white oak slats eliminates the need for a box spring.

Description	Headboard Height
